Software Transaction Agreement

Quest

Worldwide Software Transaction Agreement(s)

This document contains separate Software Transaction Agreements for different regions that specify different Providers and different terms. Available from *www.Quest.com/Legal/STA.aspx* *<http://www.Quest.com/Legal/sta.aspx>* and in this document are the agreements for:

- **United States of America (USA)**
- **Europe, Middle East, Africa (EMEA)**
- **Asia Pacific and Japan (APJ)**

(Click on any of the regions listed above or scroll down to navigate to the section of the document applicable to your region.)

☑ I accept the terms in the Software Transaction Agreement
